Abstract of proposed collection:

Form DS- 6561 is designed to succinctly collect appropriate and current medical information about an individual in order for a medical provider to make a determination as to whether a federal employee or contractor or eligible family member will have sufficient medical and educational resources at a diplomatic mission abroad to maintain the health and safety of the individual or family member. It is designed for all non-Foreign Affairs Agency employees, or their eligible family members.

Methodology:

The information collected will be collected through the use of an electronic forms engine or by hand written submission using a pre-printed form.

Behzad Shahbazian, D.O.
Director of Clinical Services
Bureau of Medical Services
Department of State.
